Foreword

In the days of our New England forefathers, the figure perhaps most familiar to all townsfolk was the town crier heralding the current events and proclamations.

In the person of our jolly Crier, the editors hope to carry you through the events experienced at B. H. S. during the '49-50 school year. They also hope that, just as both the young and old townsfolk welcomed the crier, you, too, in years to come, will welcome him as the reporter of your high school days.

Your editor here takes the opportunity to extend the most sincere gratitude to our adviser, Miss Walsh, who so patiently and willingly guided our efforts, to Mr. Genuske, who directed the huge task of the business staff, to Mr. Allen, without whose photographic skill this book could not have been completed, and to all who gave of their time to aid the production of your 1950 **Crier**.

BOARDMAN HIGH SCHOOL

Dedication

"Poor are they that have not patience." According to this maxim, Boardman can hold proud claim to a faculty member rich because of this virtue. Patience is also extolled as the best remedy for trouble; thus, the difficulty of Latin conjugations and declensions is remedied under the patient and careful tutelage of this teacher.

It is to be regretted that all students could not have received the benefits which her patience and guidance have set as examples to be followed all through life.

In sincere gratitude for these and for her unceasing willingness to be of real help, we, the Class of 1950, dedicate our Crier to Miss Marjorie Atkinson.

MISS MARJORIE ATKINSON

Faculty

Hear! Attention!

The sound of the bell marks for each student the beginning of another forty-five minute class period in the presence of one of Boardman's faculty members. Upon the guidance received in these short spans of time depends not only the future of each individual but also that of his community and country.

This tremendous task so unselfishly accomplished by the faculty cannot be too highly praised. The teachers are the masters imparting "the apprenticeship of life and cheap defense of nations" — education.

Boardman's student body can well be proud of its teachers— a group willing to give of their time and ever to be remembered as true friends.

A famillar morning scene.

ADMINISTRATION

MR. IRVIN J. NISONGER

A cheerful smile, tolerant kindness, and a democratic attitude best describe our superintendent, Mr. Nisonger. His friendly manner rests with each student with whom he speaks and will best be remembered when high school has become only a happy memory. Plans for the new elementary school consumed much of Mr. Nisonger's time this year, but he was never too busy to pause for a friendly or constructive word.

We seniors are grateful, Mr. Nisonger, for your wise and kindly leadership, which has kept our school functioning smoothly.

MR. J. W. TIDD

This year marks the twenty-fifth year that Mr. Tidd has given his services to Boardman High School. During these years he has won the respect of the student body for his kindness, encouragement of high ideals, and counseling for the future. His consideration for each individual student and his support of every worthwhile project have been outstanding in his years of loyalty to our school.

To you, Mr. Tidd, the mid-century seniors proffer a simple but sincere "Thank you."

Seniors

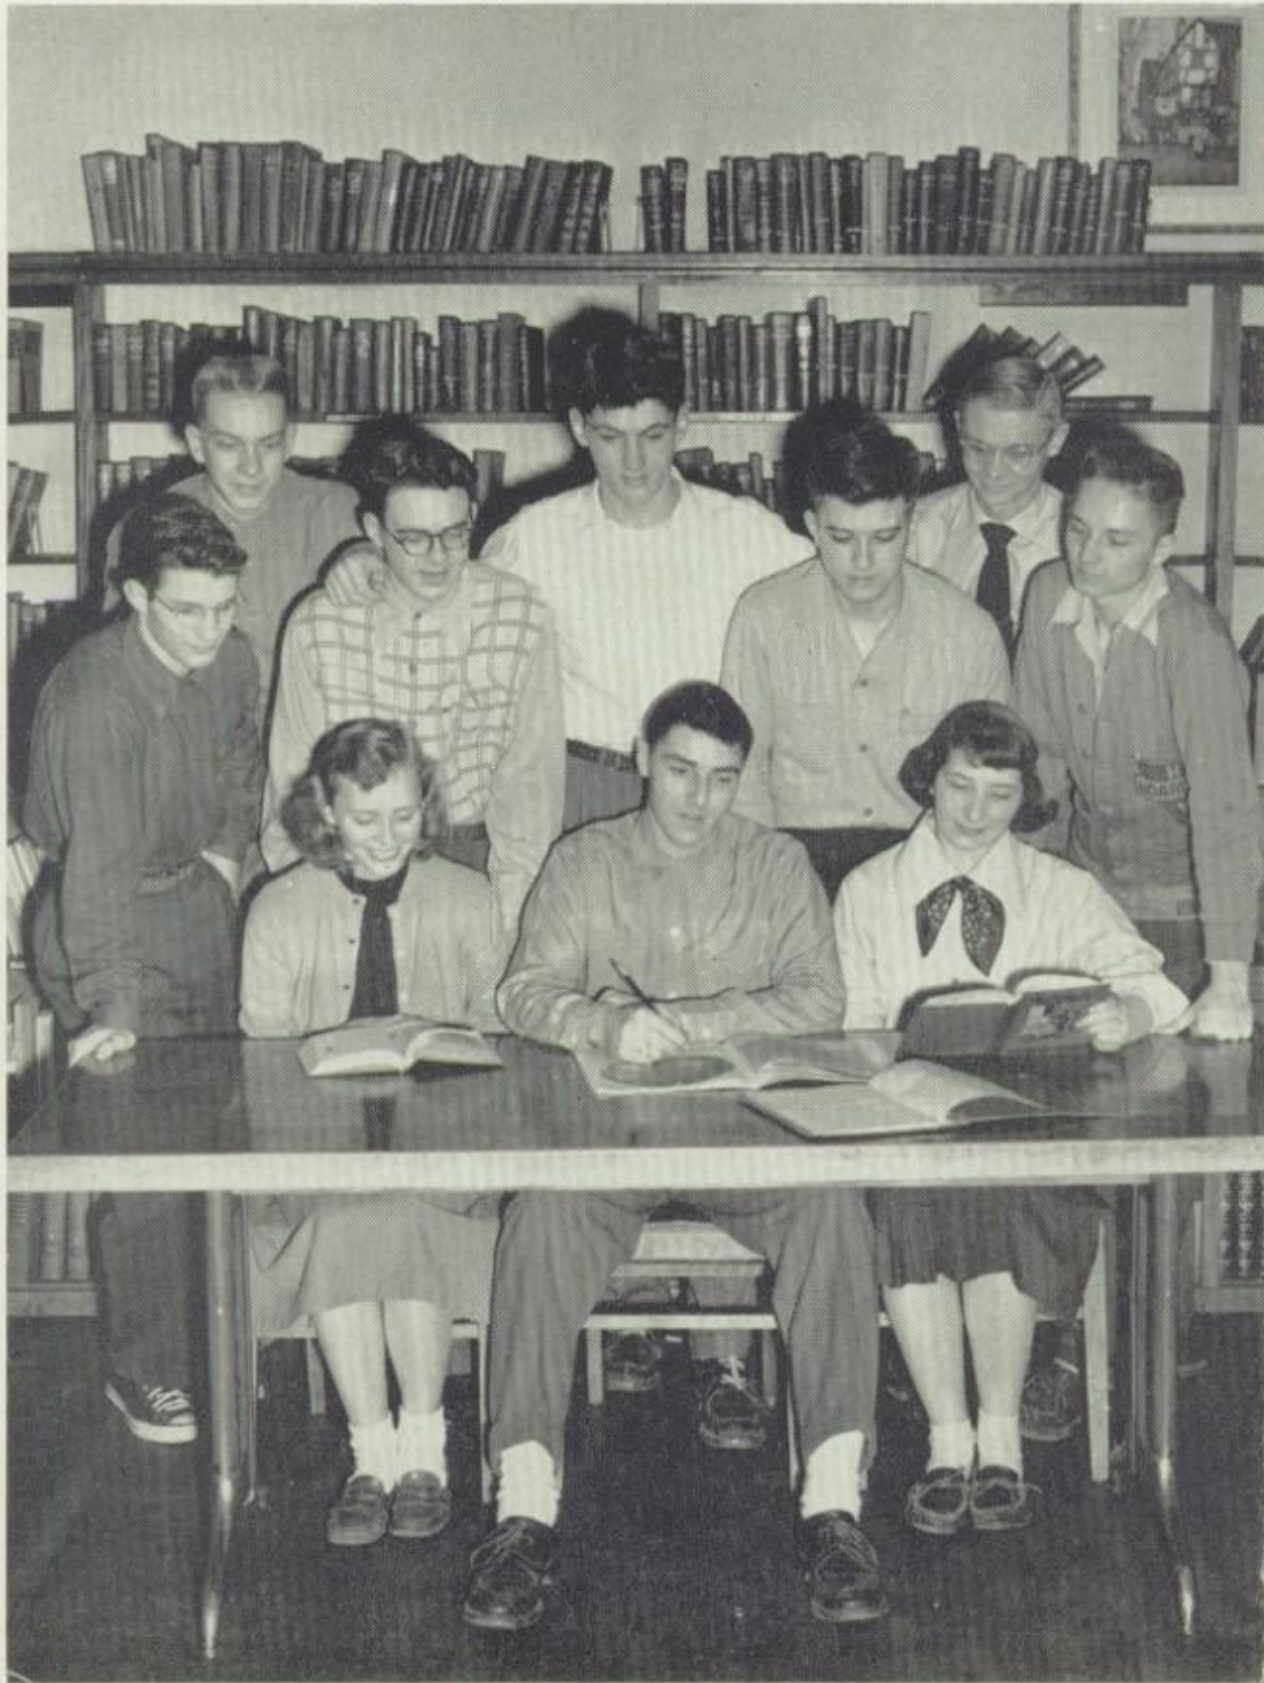

Hear Ye! Hear Ye!

The seniors hold perhaps the most important position in the school. Upon their shoulders lies the responsibility of upholding the traditions and academic standards of the school and of setting goals toward which the underclassmen may strive.

Boardman's mid-century class has diligently worked toward these ends, and is both proud of its record and humble at the thought of the many benefits received. Class members have ranked high, not only in scholarship, but also in athletics.

As a final tribute to their alma mater and to the ideals for which she stands, the seniors of 1950 offer a sincere "Thank you" to the faculty and a hearty "Good luck" to the underclassmen.

Senior class officers prepare for graduation.

Class colors: Double blue and white
Class motto: So little done; so much to do.

One of the notable achievements of the 1949-50 school year was the acquisition of an alma mater. The words were written by a group of junior and senior students and were set to the music of Sibelius's immortal "Finlandia." This song is a lasting contribution to the spirit of Boardman High School.

O Boardman High, we pledge our love unending;
Wisdom and truth shall ever honor thee.
Throughout the years which we enjoy together,
We offer thee our love and loyalty;
In toil and strife we will remember thee,
Our Alma Mater. Boardman High!

As the Mid-Century Class of Boardman High School receive their diplomas, their thoughts inevitably turn to the years of work and fun behind those impressive documents. There are many tears and many more laughs in the history of the Class of '50. Let's go back into the years gone by, across the arch, 'way over to the other end of the building, where the class made its debut in September, 1938, when a group of little tots with excited smiles occasionally showing missing teeth came beaming into the first grade of Boardman School.

Don Neapolitan was the fighter of the class. He was always beating up his older brother, or at least that was the way he told it. And Jane Garver was such a daydreamer! Could it be that she was already having visions of a tall dark man in her future?

Little Nancilee Black was such an unsanitary child! She took a bite of someone else's klondike, and Miss MacIntosh made her throw it into the wastebasket. Nancilee was **so** humiliated. She wept bitterly! And who was that cute little blond tyke? Why, of course! Joe Roller. He was such a good little boy. He always wore his leggings when it was cold. Poor little tot! He always had such a hard time pulling them on, too.

In the second grade we were busy little architects and carpenters building a Dutch house in Miss Fischel's room. It was a beautiful house; and we were really proud of it, even though the high school shop boys did most of the work.

Miss Detrow's room was the scene of a busy hospital after school. Janet Scott was the nurse; Noreen Clark, the ambulance driver; the pencil sharpener, the ambulance siren; and poor little Ronnie Royal was usually the patient. If he wasn't sick when they started, he usually was when they finished with him. In third grade Miss Blunt's Room put on a Christmas play, and Jeanne Kinney was an angel in it. Too bad she stopped acting when the play was over.

Fourth grade ushered in an epidemic of jacks. Miss Riley's room even had organized teams that played tournaments during recess. And in the winter we had ice slides on the terrace and always came in half-frozen and covered with snow. Then we hung our wet mittens on the radiator, where they dripped dirty water and gave the whole room the delightful odor of hot, wet wool.

Romance began to take its toll in the fourth grade when Tom Mears kissed Joan Pritchard in the cloakroom, and Noreen Clark and Ronnie Royal were just simply **madly** in love. Now isn't that hurrying Mother Nature a little, kids?

That mean Joan Brown teased poor little Lucille LaMarca until she was in tears because she had to sit with Dave Larson. Now, Joan, that wasn't very nice

PROPHECY

Dear Donna,

Wasn't it strange that we should run into each other last week on Devonshire after not seeing each other for ten years? These new ranch houses are nice, but I hate to see the old place go.

I imagine you'd like to know what has happened to the Class of 1950 in all these years. I've done a little checking up on the old gang, and you'd be surprised what some of them are doing now.

Probably the most successful of our class are **Dick Stevens**, who has just been made president of U. S. Steel, and **Don Carter**, the current candidate for State Treasurer. Of course, **John Findlay** must not be doing too badly either, since he just donated money for a new stadium at Ohio University.

I stopped in at **Don Neapolitan's** pawn shop the other day to pawn a little item I bought at Strouss-Hirshberg's. You probably won't be surprised to hear that **Art Einstein** has followed in his father's footsteps and has become a top executive at Strouss's. I guess he hasn't changed much either, because I've heard that **Joan Brown**, the new buyer, spends most of her time sitting on his lap. In the office next to Art, **Ronnie Rothman** has opened a new modeling agency. The lucky girls who got jobs there are **Anne Best**, **Noreen Clark**, **Jeanne Miller**, **Mary Jean Banks**, and **JoAnne Nichols**.

Boardman Center has really taken on a new look! **Chuck LaShelle** and **Ron Royal** have taken over the "Sallie True Shop" and are now selling ladies' clothing. They have the cutest motto: "Dainties for Your Darling." At the grand opening, I saw **Myron Kaiser**. (Shhhh—he's rumored to be a bookie.) **Al Maga**, who is on vacation from Metro-Goldwyn-Mayer, was there, too.

Well, I must stop writing now. I have an appointment with **Barbara Griffith**, hair stylist, to get my hair cut.

Love,
Joan

Dear Joan,

Sorry I've been so long in answering, but so many things have been happening. In the first place, I broke my glasses and my oculist has been slow in getting me a new pair. Then, in the second place, I've been resting in bed from a bad case of nerves. **Edwin Beede** almost ran over me with his hot-rod.

Did you hear about that terrible accident **Fred Baun** had? His plane crashed with several of our friends aboard. Luckily no one was hurt seriously. **Shirlee Chabut**, famous Parisian dancer, sprained her ankle. This will be a blow to her dancing partner, **Don LoGiudice**. **Carmel Campolito**, who has recently been singing with Frankie Lane, escaped with minor injuries, too, but will be unable to finish her tour. **Jean Hartman**, the artist, was not injured; but her portraits of Senators **James Banks** and **James Baker** were destroyed. **Jane Ann Leshner**, editor of "Real Romance" was hospitalized; but her nurse, **Charlotte Carlson**, reports that she is coming along nicely. One thing strange was that **Tom Sinkle**, who has spent years driving for Jimmy Lynch's Death Dodgers without a scratch, got a concussion in the crash.

I suppose you've read about what **Shirley Sandford** has been doing. After all these years saying that she wanted to die young, she accidentally discovered a preparation that may enable everyone to live to be 130! **Dave Larson**, the mortician, is thinking of going into another profession, I've heard. Wonder why . . . ?

By the way, the local Kiwanis Club is sponsoring a dinner next week in honor of **Marion Machin**, the naturalist. She just returned home from Africa.

That's all for now. **Lore Wicke** is coming to give me a German lesson in a half-hour, so I'd like to study. **Josephine Tavorario** and I are planning a trip to Europe, and we want to be prepared.

Love,
Donna

Dear Donna,

I finally decided to take a little vacation from my interior decorating business. **Janet Scott**, my business manager, persuaded me to go; and I'm certainly glad I did! I ran into so many people I knew while I was away.

Before I left, I visited **Pete Bucheit** at the Receiving Hospital. The poor fellow took the construction business too seriously, I'm afraid. When I saw him, he was sitting on the floor playing with blocks.

The first stop on my trip was New York, where I saw **Betsy Dustman** play Ophelia in "Hamlet." While I was there I also went to a musical comedy. The lyrics were written by **Joan Ellis** and **Bill Murland**, Broadway's newest team. If you ever get to New York, don't miss **Mears** and **Westerman**, featured comedians. They're on the same bill with **Kathy Brown**, the famous pianist.

In Chicago I saw **Nancilee Black**, and guess what she's doing! Singing for the Salvation Army! She told me that **Joyce Hulse** was in the photography business there. I didn't get a chance to see her, but I did meet her secretary, **Rita Capuzello**. We talked only for a minute, though, because she had an appointment with **Joe Roller**, who poses for all the peroxide ads. **Tommy Dundon**, president of Perma-Stone, was in Chicago for a convention; so he took me to dinner at **Alice Borson** and **Donna Isaacson's** Swedish Smorgasboard. He said that **Ike Farrah** was offered a pro basketball contract, but turned it down because they refused to build a longer floor for his specialty shots. Speaking of sports, I hear that **Bobby Vogt**, former All-American football star, is now head coach at the University of Michigan.

On the way home, I stopped in Cleveland to buy a few clothes at **Gloria DeAngelis's** dressmaking shop. Her clothes are really beautiful!

I had to cut my trip a little short in order to get home in time for the opening of **Lucille LaMarca's** orphanage. **Bob Frondorf**, who has

Classes

Oyez! Oyez!

The three classes fast approaching their final year have long since declared through their achievements that they have been neither idle nor asleep. They, like their predecessors, are upholding Boardman's commendable spirit of scholastic, extra-curricular, and athletic interest.

The underclassmen have learned that their quickly-passing high school days are some of the happiest they will ever experience. Consequently they are building up a supply of irreplaceable memories for the future. Fun in the classroom, association with classmates and faculty, and social-mindedness all go to make up this supply.

May the best of luck follow each class as a whole and each individual member.

JUNIOR CLASS

Amid the rush and confusion of the new school term the Junior Class chose outstanding students to lead them through the year. These officers were President Jay Chuck, Vice-President James Wilkins, Secretary Martha Clark, and Treasurer Margaret Williams. These officers and the executive committee, consisting of Marcia Geiger, Ronald Green, David Lance, and Judson McConnell, chose the lovely class rings.

The class enjoyed a successful year under the very efficient direction of Miss Rukenbrod. As a final tribute to the departing seniors the juniors presented the traditional prom, enchanting with colorful decorations, dim lights, and soft music.

SOPHOMORE CLASS

A traditional highlight of the year for the sophomore class was the annual Freshman-Sophomore Frolic. At this informal gathering the sophomores officially welcomed the shy underclassmen into the high school.

Managing the interests and problems of the Class of '52 under the excellent guidance of Miss Atkinson were President Hugh Banninga, Vice-President Edward Fiffick, Secretary Dorothy Hershberger, Treasurer Janice Slemmons, and Student Council Representative Marilyn Bowmaster.

FRESHMAN CLASS

The winners! Yes, it was the Freshman Class that won the 1949-50 P. T. A. membership campaign. As a reward for its efforts the class was given a theater party at the Newport Theatre.

The capable officers who guided the class of '53 through its initial high school year were George Ellioff, President; Edward Borcik, Vice-President; Margaret Brown, Secretary; Gloria Berdar, Treasurer; and Paul Bauschatz, Student Council Representative. Miss Walsh was faculty advisor.

Activities

Hear! Hear!

Club meetings, dances, play productions, musical performances, student leadership, and all-around enthusiasm proclaim the wide variety of activities afforded the Boardman High student body. These opportunities are set forth as an expedient part of each one's school days, for they are vital in attaining a complete education and well-rounded personality.

The dependable Crier carried out his duties even though he had to plod through rain and puddles. Evidently following his example, all club members revealed their enthusiasm by turning out whether the weather cooperated or not.

With this spirit prevalent, another year of extra-curricular work and fun was completed.

SENIOR PLAY CAST

ROW ONE: N. Black, C. Campolito, J. Brown, B. Dustman, M. Machin, R. A. Citano.
 ROW TWO: Mr. Williams (Director), R. Frondorf, J. Ellis, C. Carlson, A. Einstein.
 ROW THREE: D. Neapolitan, W. Murtland, T. Mears, M. Hughes.

Under the splendid direction of Mr. Williams, the Hungarian comedy "Seven Sisters" by Edith Ellis was presented by the Class of '50.

The Widow Gyurkovics (Marion Machin) is seeking matrimonial "catches" for Katinka (Nancy Lee Black), Sari (Joan Ellis), and Ella (Charlotte Carlson), her three older daughters. Mitzi (Joan Brown), the fourth daughter, 19, is expelled from school for running away to a masquerade ball. Returning home in disgrace, she reveals her plight to Horkoy (Bill Murtland), the young lieutenant she met at the ball; and he wagers that within a year he will have her older sisters married off, provided that Mitzi will then reward him with three kisses. The intrigues which follow constitute an entrancing network of comedy. Meanwhile Mitzi's own romance becomes seriously threatened; but matters adjust themselves, and Horkoy finally claims his reward.

Terka (Roseann Citano), Liza (Betsy Dustman), and Klara (Carmel Campolito) are the three younger daughters who seem to be in constant mischief. Colonel Radviany (Art Einstein) commands the troops; and his nephew, Baron Gida (Martin Hughes), falls in love with Katinka, whom the Colonel later marries. Michael Sandorffy (Tom Mears) marries Sari; Tony Teliki (Bob Frondorf) complicates matters by confusing his identity; and Janko (Don Neapolitan) adds humor and color as a stupid servant boy.

Upholding the high scholastic standard of Boardman, the Seniors of 1950 once again dominated the annual Senior Scholarship Tests given by the State of Ohio. The team won five out of the first ten places in the county, eight out of the first fifteen, and placed fourteen seniors in the upper quartile of forty-three. This means that one out of every three in the upper twenty-five per cent was a Boardman student.

Marion Machin, who placed second in the county, led Boardman's seniors. Following in fourth, sixth, eighth, and tenth places, respectively, were Berkley Moore, William Murtland, Janet Scott, and Joe Roller.

The great accomplishment of each one of the group is indicated by the fact that the 182 seniors throughout the county who took the test were the hand-picked "cream of their classes." Here at Boardman Mr. Tidd carefully considers the qualifications of each student, using the results of various tests given throughout the year and the general scholastic grades.

While the results neither officially rank Boardman with other schools nor insure college scholarships to students with superior rating, they prove to be an important factor in determining these honors.

The high rank of Boardman's students over the years speaks well, too, of the high calibre of the student body and the excellent instruction they receive.

ANNUAL STAFF

Who realize better than the annual staff the long hours and hard work required to produce a yearbook! Yet there is not one staff member who would have given up his job of enjoyment and valuable experience. The spirit of co-operation combined with resourcefulness to make the seniors' book a lasting album of memories. The staff may indeed experience the satisfaction of a job well done.

The **Bugle** staff has finished another fine and profitable year. The editor and her capable staff did their best to bring to the student body the latest "scoops," which proved to be fun for everyone. However, without the dependable writers and typists, and without the suggestions and help rendered by Miss Reeser and Mr. Moore, the advisers, the '49-50 **Bugle** could not have been so successfully published.

STUDENT COUNCIL

STUDENT COUNCIL

ROW ONE: Mr. Bohn (Adviser), J. Wilkins, J. Roller, R. Hammar, L. Curran.

ROW TWO: D. Hershberger, M. Bowmaster, E. Borcik, P. Bauschatz, R. Green, G. Elioff, R. Royal, R. Hershberger.

"The Student Council represents you. We want your ideas, suggestions, and complaints." These words appear on a poster behind a very conspicuous box in the first floor hall, set there expressly to give each student a share in the work of the Student Council.

The Student Council is an organization which works to obtain closer co-operation between the students and the faculty. It helps to foster law and order as well as to promote the general welfare and school spirit of the student body.

As soon as all of the representatives were elected, they met to choose their officers, who were President Joe Roller, Vice-President Ronald Hammar, Secretary Linda Curran, and Treasurer James Wilkins. Under the guidance of Mr. Bohn, these students set excellent examples of the American trait of co-operation.

Some of the duties of the Student Council are to select the assembly programs, to plan the Freshman-Sophomore Party and the Get-Acquainted Party, and to help choose the cheerleaders for the following year.

A special project, which helped both the school and the community, was launched this year. The Student Council aided the needy of this community by contributing generously to the Boardman Ex-Servicemen's Club.

"Hey, can you lend me some money?"

"No, but why don't you go to the Student Loan."

Thus ran a typical conversation around Boardman this year. Sometimes it was a freshie who had forgotten his lunch money; other times, a dashing young Romeo who needed money for a date. No matter what the cause, the Student Loan was always ready to assist.

Maybe you're wondering how the Student Loan operates. The seniors sponsored the organization by selling stock to the members of their class. The stockholders, in turn, elected five members to the board of directors. These directors, with the aid of their adviser, Mr. Bohn, decided on the rate of interest, planned an advertising and bookkeeping system, secured insurance for the stock, and carried on business transactions.

The Student Loan was very popular this year because of the reduced rate of interest, now one per cent per day. Throughout the entire year most of the stock was in use.

The board of directors who guided this useful service were Ronald Rothman, Joseph Roller, Charles Anderson, Richard Stevens, and Donald LaGiudice. For the convenience of prospective borrowers, one of these students could always be found on duty before or after school.

DEBATE

SEATED: J. Wilkins, D. Bair, M. Hughes, B. Brown.

STANDING: J. Beeghly, A. Champion, R. Alexander, Mr. Williams (Adviser), B. Estep, M. L. Morris, B. Moore, M. Loupe, J. Obendorfer, P. Brown, P. Blake, D. Hubly.

Resolved: That the President of the United States should be elected by the direct vote of the people. This was the topic that the Boardman High Debaters studied so diligently this year. Tackling both sides of the question, they participated in debates with many schools.

In October, Delores Bair, Martin Hughes, and Arthur Einstein attended the Ohio High School Speech League Conference at Columbus, where they heard Western Reserve University and the University of Pittsburgh stage a debate.

This year the W. K. B. N. Student Congress of the Air convened under the direction of Don Brice. At various times during the year all the Boardman debaters took part in these broadcasts, and on two occasions Boardman was in charge of the program.

During the season the club also debated at Canton, Niles, Kent, and Ravenna.

The principal objective of the club this year was to promote more logical thinking and to gain more experience in public speaking. Many thanks to Mr. Williams, who worked with the debaters to make this a profitable year. Thanks go also to the officers: President Martin Hughes, Vice-President Arthur Einstein, Secretary Betty Brown, and Treasurer James Wilkins.

The dimming of lights, the brightening of the footlights, the hush of the audience, and the last minute scurrying to positions on stage provided the professional touches which the "Stagecrafters" remembered long after the curtains closed.

Expertly trained and guided by Mr. Williams the budding actors and actresses reached the climax of another successful season at the annual Stagecraft Benefit. This year's production of three one-act plays, "The Pink Dress," "The Happy Journey," and "Roughly Speaking" delighted the student body during an assembly in February. The plays also received an enthusiastic ovation from the P. T. A. at their March meeting. Each Stagecrafter who did not have an actual acting role gained experience by handling props, lighting, and tickets.

The officers for the 1949-50 school year were as follows: President, Tom Mears; Vice-President, Richard Stevens; Secretary, Nancilee Black; and Treasurer, Gordon Rauschenberger. The officers conducted the monthly meetings which consisted of skits, instruction on the various techniques of acting, and the art of make-up.

Frequently overlooked is the work of the committees and stage crews. The accomplishments of the actors themselves could not have been nearly as effective without the co-operation and freely given time of these indispensable workers.

In the office, in the study halls, and in the classroom, upstairs, downstairs, from the north section to the south, the east to the west, can be found any of the sixteen assistants who relieve the office secretaries, Miss Miller and Miss Johnson.

Collecting attendance slips and checking excuses, distributing absentee lists to teachers, answering the telephone, delivering messages, notifying students of conferences, and distributing the news-letters to teachers were a few of the duties performed by the group: Donna Harpold, Joan Brown, Carol McCrudden, Hildalee Moore, Lore Wicke, Barbara Ashmus, Joan Chessrown, and Jo-Ann Nichols.

Janet Scott, Joan Pritchard, Ethel Smith, Melva Slagle, Betsy Dustman, Delores Yannis, Roseanne Citano, and Roseanne Andio were the student switchboard operators at Boardman School during this second year since the group was organized to assist in the office.

During the Christmas season all the girls, with Mrs. Tidd, Mrs. Hatcher, Mrs. Huston, and Mrs. Nisonger as guests, went to the Parkview Inn in Canfield for dinner. Afterwards they had a gift exchange with Charles Anderson playing Santa Claus.

The unselfish services and splendid co-operation of all these girls is another example of the fine spirit that is present at Boardman High School.

On the first Wednesday of every month a group of forty-four girls composed of seniors, juniors, and a few sophomores, met in the library from 3:30 to 5:00. These girls, the Kaybees, under the direction of Miss McPhee, are the ones who run the high school library so efficiently by checking books in and out and helping the students select particularly interesting reading material.

The Keepers of the Books not only performed their regular duties in the library every day, but also participated in many events throughout the year. Christmas time was made very gay with each of the girls doing her share to decorate the tree and hang pine and holly throughout the library. For the program Nancy Pilgrim told a Christmas story, and Charlotte Carlson as jolly old St. Nick distributed Christmas presents. The Kaybees also serenaded the community with Christmas carols, and then went to Betty Brown's house for refreshments.

An outstanding speaker of the year was Mrs. James Brown who reviewed "You can always tell a Freshman."

The officers for the year were President Janet Scott, Vice-President Barbara Griffith, Secretary Marilyn Evans, and Treasurer Audrey McCaughey.

The Commercial Club was organized at Boardman in 1949. Its aims are to promote interest in the business world; to encourage a social spirit by offering opportunities for wholesome social contact; and to become familiar with modern progressive business methods and systems, endeavoring by such means to raise and maintain a higher standard of business training.

Although newly organized, the club boasted an enrollment of one hundred percent in both the junior and senior classes with forty-eight charter members.

A well-planned entertainment program included an informal luncheon for the senior commercial students, their advisors, and former Boardman graduates who spoke of their business experiences.

Other enjoyable events included the Christmas Party held on December 13 at Buechner Hall, and, to bring to a close the very successful year, a banquet honoring the graduating commercial students.

Officers elected for the 1949-1950 year were Donna Isaacson, President; Melva Slagle, Vice-President; Barbara Ashmus, Secretary; Marilyn Evans, Treasurer; and Kay Wood, Reporter. They were under the direction of Miss Reeser and Miss Parker.

To the Commercial Club goes the school's commendation for a very successful first year.

The Future Homemakers of America were well on the road to organization in September. Because of their head start they held one of the first parties of the year, a September supper in the "home ec" room.

In October the seamstresses of the group presented a style show for the members of Collega Y Teens.

In December the club joined with the newly-organized Commercial Club and held a Christmas party and gift exchange at Buechner Hall.

It's quite an honor to receive either a Junior or Chapter Homemaker's Degree! In January the Junior Degree was presented to Ruth Wolfe, Janet Williams, and Barbara Biggins, while Carol Beck and Carol Wordsworth received Chapter Degrees.

In February the girls found themselves touring Kling's Bakery. They watched a man demonstrate cake decorating; and then the bravest girls tried their skill.

To help build up their treasury the girls sold Christmas cards. Later in the year they also sponsored the sale of figurines and children's storybooks.

In spring the club held its annual picnic, and the club's gift to the home economic department was then revealed.

President Gloria DeAngelis, Vice-President JoAnn Johnson, Secretary-Treasurer Nancy Woodward, and the Adviser Miss Roman directed the activities of the '49-50 season.

SCIENCE CLUB

 ROW THREE: R. Pellin, B. Moore, R. Reese, D. Crouse, J. Dudley, D. Lancee, C. Smoyer, W. Spikell, L. Case.

This year the Science Club was one of the hardest-working organizations in Boardman. The thirty privileged members worked hard to prepare the successful Science Fair, which took place March 8. Any student from grades eight through twelve had the opportunity to participate in the competition. The three divisions in which the projects were grouped were collections, posters, and home manufacture and assembly. Through the generosity of the Boardman Kiwanis Club, a sum of twenty-five dollars was distributed as prize money.

The other highlights of the '49-'50 year were the nature hike through Mill Creek Park, the talk on rocks and minerals given by Mr. Murphy, the trip to the airport, and the occasions throughout the year when the members were given the chance to participate in the program by displaying and speaking on their individual projects. As a fitting climax to a prosperous year, the club held a Science Banquet which was enjoyed by all, and made an excursion to Cleveland, where they toured, among other places of interest, Nela Park and Case Institute of Technology.

The officers who aided Mr. Eversole during the past year were President Marion Machin, Vice-President Judson McConnell, Secretary Jean Hartman, Treasurer Charles Anderson, Reporter Jack Roithner, and Librarian Thomas Murphy.

Who are the most popular people among the "small-fry" of the elementary school? That's right: the Cadet Teachers. These teachers gave up either their study halls or their gym classes to provide entertainment for the younger children. It was their duty to guide the children with suitable playground games and lead indoor activities during rainy days. Among the games that the Cadet Teachers taught the elementary students were Drop the Handkerchief, Simon-Says, and Release.

Everyone profited from this system. The Cadet Teachers gained the valuable experience of teaching and handling children, the children profited from the organized recreation, and the grade teachers acquired one half-hour of much-needed rest. Through actual teaching, the high school students achieved leadership and co-operation.

The Cadet Teachers met daily with their advisers, Mrs. Secrist and Mr. Morgan, to discuss problems which arose. Among the many and varied matters discussed were new games to keep the children interested, recreation for rainy days, and how to meet discipline problems.

Credit for a job well done must be given to both the boys and the girls. As a reward for their hard work during the year, the Cadet Teachers enjoyed a weiner roast given by their advisers.

FUTURE TEACHERS

During the last semester of the year students were constantly asking, "What are the Future Teachers? What do they do? Who can join?" The reason for these and many other questions was that Mr. Tidd had decided to organize a Future Teachers' Club. Any junior or senior who thought that he might enter the teaching profession was eligible for membership.

This group, affiliated with the Future Teachers' Club of America, met four times this year to discuss various phases of teaching. Among the topics were the characteristics a teacher should possess, requirements to be fulfilled, positions, salaries, and the selection of a college. Imagine everyone's surprise when Mr. Tidd said that the demand was for elementary rather than high school teachers!

The members were given the opportunity to teach in the grade school during the absence of the regular teachers. I'm sure all the F. T. A.'s will agree that it was fun even if they did sometimes have to yell to make themselves heard. Through this experience, the Future Teachers were able to decide whether they were suited for the teaching profession.

All the Future Teachers want to thank Mr. Tidd sincerely for helping them to make one of their most important decisions—that of choosing a profession.

The first day of school this year found all the monitors assigned to their posts, and in a few weeks all was running smoothly. Captain of the Day Dale Johnson called the first meeting in November; and he, together with Mr. Bohn, briefed the monitors on their duties for the ensuing year.

A Board of Directors, comprised of the president of the Student Council, the presidents of the four classes, the Captain of the Day, and the adviser had selected the monitors the previous spring.

The Monitor System was organized several years ago at Boardman to keep an orderly atmosphere prevalent in the halls. Their specific duties have been to close and lock the lockers, remove paper from the halls, and courteously escort all visitors to the office. We are sure that many a stranger at Boardman School has received a favorable impression from the monitors on duty.

The adviser of the force, Mr. Bohn, deserves a special vote of thanks for his assistance during the year. Credit is also due to the period captains: Dale Johnson, Tom Dundon, Jim Banks, Joyce Hulse, Joe Roller, Betty Cosier, Jean Hartman, and Ronald Reese.

BOOSTER CLUB

Hoarse voices and sore throats plus bubbling enthusiasm characterized the Boardman Booster Club of '49 and '50.

The main purpose of the club is just what the name implies: "boosting" the Boardman High School spirit. Other aims are to form a unified cheering section, to learn the cheers perfectly, and to promote an atmosphere of good sportsmanship. By leading the student body in cheers, the group greatly helped the cheerleaders and improved our pep rallies. As a result of this thorough training, the club provided the moral support which gave our teams that "do or die" spirit.

During the 1949 football season the Boosters reached an all-time high with a total membership of one hundred students. Because of the limited seating capacity, however, the club could accommodate only sixty members during basketball season.

We shall never forget the unique assembly given by the Boosters before the homecoming game. A preview of the coronation was presented, with grade school children acting as the football captain and queen.

The promotion committee, which furthered the success of the club, consisted of Sue Rodkey, Jean Rozinak, Barbara Whitley, and Kay Wood. However, the club never would have achieved its goal without the patience and expert advice of Mr. Ballinger.

Oh, how we loved to have a class movie! It took up so much of the period.

Yes, the members of the Projection Club not only manage the mechanical end of school movies, but also care for the slide projector, wire recorder, and record players in the classroom. Nor are the duties of these skilled students confined to the classrooms. They likewise operate the sound system at all parties, assemblies, and athletic events.

If one knows the cost of the equipment which these boys use, he cannot help but realize the large degree of responsibility entailed. The members are selected from the student body with a great measure of care. A club member is chosen for his mechanical aptitude, his willingness to take responsibility, and his high standard of conduct.

Since the club was organized in 1945, it has grown in importance, until today it has become an indispensable part of the school's educational plan. Members of the club worked in co-operation with the faculty, providing a modern system of audio-visual education for the students.

Mr. Hawk is the faculty moderator of the club. Upon his shoulders lies the responsibility of purchasing equipment, teaching the new members, and organizing the daily schedule so that harmony might prevail throughout the year.

On the second Wednesday of every month a group carrying cameras, tripods, and other implements pertaining to photography can be observed arriving at school. These girls and boys whom you see are the members of the Boardman High Photo Arts Club.

In order to obtain funds for its various expenses, the club takes the class pictures of the lower grades which the children treasure so highly. The group also makes possible many of the pictures that are seen in this book and in the school paper, for it cares for the majority of the photographic needs of both the "Crier" and the "Bugle."

The club of this year had many unforgettable experiences. In order to make the organization a complete success, an entertaining party was held on Halloween.

Again this year the club was ably advised by Mr. Allen, who has been the faculty leader of the club ever since its organization.

A great measure of the club's success was likewise due to its most capable and efficient officers. Heading the aspiring photographers was Richard Todd with his able assistant, Vice-President Don Neapolitan. Joyce Hulse and Marilyn Rundle were Secretary and Treasurer respectively.

The members of the club achieved a two-fold purpose; for it not only filled the school's photographic needs, but also developed fine photographers for the world of tomorrow.

Batter up! Strike one! Foul! Jump ball! All these calls are reminiscent of the popular after-school tournaments of the G. A. A. The purpose of this Girls' Athletic Association is to promote interest in physical education training, good sportsmanship, and fellowship.

In October the girls held their annual picnic in honor of the freshmen in the Poland Woods. During the Christmas season the impressive initiation service was held, and in February those who braved the weather enjoyed a swimming party at the Y. M. C. A.

This year's speedball tournament ended in a tie between the Seniors and the Sophomores. The Juniors emerged victorious from the hit-pin tournament.

The officers who presided this year were Donna Isaacson, President; Janet Scott, Vice-President; Delores Pounders, Secretary; Laura Brothers, Assistant Secretary; and Delores Allen, Treasurer. Mrs. Secrist completed a second busy year as adviser.

After earning one hundred points, any girl is eligible for membership. Then when a member has attained 1500 points, she is given a letter; 1800 points, a pin. Congratulations are deserved by all the girls who chalked up these points. Good work!

The Rifle Club got off to a smooth start by electing Ronald Reese as President; William Remner, Vice-President; Marion Machin, Secretary-Treasurer; and David Lance, Publicity Chairman. Mr. Ballinger and his squad are to be congratulated on the team's fine showing.

The varsity team consisted of David Lance, William Remner, Marion Machin, Robert Williams, Myron Davis, Ronald Reese, Richard Garver, Dick Harmon, David Fitchet, and Delores Pounders. During the season these varsity shooters met the Sharon team and defeated them three times. Two more wins were added when the sharpshooters downed Howland twice.

In a postal match with West High School of Waterloo, Iowa, Boardman came through with one victory and one defeat. A big national event was the William Randolph Hearst Match held in February.

At the close of each rifle season, the Boardman team, together with other Northeastern Ohio teams, travels to Willoughby, Ohio, where the District National Rifle Association meet is held. The individual scores made there are compared with those of other shooters and are rated accordingly. Later on, the Rifle Club participated in the annual spring matches sponsored by Post 15 of the American Legion.

Fellowship, friendship, and fun characterized the Avida Y-Teen activities this year. These events included a Get-Acquainted Bonfire, the Football Toddle, the Y-Teen "pep stunt," and the annual Sweetheart Ball. In October the Avida and Collega Y-Teens held a joint meeting at which the speaker, Mrs. Sontag, gave a fascinating talk on "Clothes and Cosmetics."

During the P. T. A. meetings the girls on the service committee cared for smaller children of the mothers attending. To give pleasure to those less fortunate than ourselves, the Y-Teens sent candy bars and canned goods overseas at Christmas time. Both the Collega and Avida Y-Teens held a Christmas Tea in honor of their mothers, followed by a beautiful candlelight recognition service.

Credit for a wonderful year is due to President Noreen Clark, Vice-President Lucille LaMarca, Secretary Delores Pounders, Treasurer Sara Lee Todd, and to the club advisers, Miss Longwell and Miss Klinger.

The Collega Y-Teens, composed of freshman and sophomore girls, took part in many exciting events. Among these were the Y-Teen - Hi-Y Party, the All City Y-Teen Prom, and a trip to the city jail.

Congratulations to President Dorothy Hershberger, Vice-President Arden Champion, Secretary Laura Brothers, Treasurer Carol Shyrock, and the advisers, Miss Roman and Mrs. Miller.

The Hi-Y Clubs of Boardman banded together this year with a record membership of eighty-five. The four clubs were competently advised by Mr. Hershberger, Mr. Thompson, Mr. Dolan, and Mr. Moore.

In the fall the Hi-Y members decided to replenish their treasury. To do this they took charge of the concessions at the football games and, with Ronald Rothman in charge, sold three thousand "Our Best for Boardman High" pencils.

At Christmas the Hi-Y, in collaboration with the Y-Teens, presented their annual Christmas Assembly starring Santa Claus Royal and "Rudolph the Red-Nosed Reindeer" in the form of Ron Rothman and Joe Roller. This season also marked the popular annual All-City Hi-Y formal.

With spring came the event long anticipated by the older members: the Hi-Y Civic Day. On this occasion a few lucky senior members held county and township offices for one day. Another highlight of the year was the Spring Prom, which through the efforts of the Hi-Y boys provided a memorable evening for all.

The senior, junior, sophomore, and freshman presidents were Dale Johnson, David Lance, Ronald Pellin, and Dick Baird respectively. All offices were very ably filled by efficient members who carried out their duties enthusiastically.

Our marching band is one organization of which every Boardmanite may well be proud. It required many tiring hours of practice to perfect those formations! Directed by Mr. Bame and led through the field maneuvers by Drum Major Judson McConnell and Head Majorette Nancilee Black, the band completed its marching season by representing the South Side at the annual North-South All-Star game on Thanksgiving Day.

The first event on the band calendar was the trip to Ohio State University to witness a football game and study the tactics of the O. S. U. All-American Marching Band. In November the Band Mothers' Club was organized for the purpose of raising funds for new uniforms. In February the band sponsored the appearance of the thrilling Ohio State Concert Band.

Boardman's own instrumentalists performed at the band concert on the evening of April 21 at the high school auditorium. The Junior High Band also participated. The program offered an excellent variety of musical selections. The group climaxed its successful season by taking part in the Northeast District Band Contest at Kent State University. The band received an excellent rating.

"Who are the lucky and talented people chosen to be in Mixed Chorus this year?" This was the question being asked by everyone that happy day in September. Sixty-five students were selected; and they, together with Mr. Bame, worked many long hours preparing the numbers for the several programs presented during the year. However, if you ask any Chorus member whether it was worth all that time and effort, his answer will be an emphatic "Yes."

The Chorus first appeared before the public at the November P. T. A. meeting and received the plaudits of all the mothers present. The highlight of the Christmas season was the Christmas Concert presented on Sunday afternoon, December 18. The program consisted of carols and other appropriate music and was climaxed by the singing of the "Hallelujah Chorus." To add to the spirit of the season, the entire Chorus went caroling through certain sections of Boardman on December 20.

When school opened again in 1950, Mr. Bame announced that there was no time to waste; for the group had two very important appearances in March. On March 17 the Chorus participated in the vocal department Spring Musical; and on April 1st the group entered the Northeast District Competitive Festival, Class B, at Kent State.

To climax a very successful season the Chorus sang at Baccalaureate.

The Boys' Glee Club is at last a recognized group of the Boardman High School Music Department. Now in its second year, the choral group, which meets three times a week, has been allotted a class period so that the boys won't have to stay after school to practice as they did in their initial year. The thirty-five enthusiastic members, along with Delores Pounders, the very able and patient accompanist, worked together with Mr. Richard Bame in preparing their portion of the programs presented by the vocal department this year.

Among the familiar carols which they presented at the Christmas Concert on December 18 were "O Holy Night," "O Little Town of Bethlehem," "A Child is Born," and "O Come All Ye Faithful." To climax a very successful season they also performed in the Spring Musical on March 17.

In addition to all their practicing and hard work, the boys, of course, had a lot of fun. Let us congratulate them for their inspiring work and hope that they continue to perform in the future as they have done in the past.

The ninety-five members of the so-called "Ladies' Aid Society" in the Girls' Glee Club produced beautiful music whenever Mr. Bame managed to stop them from participating in their favorite pastime—chattering all at the same time. We sometimes wonder how "Mr. Frantic" ever survived fourth period, being in there all alone with so many girls.

However, everything turned out just fine, and the Girls' Glee Club proved to be an asset to the Music Department with its renditions of such songs as "Bless the Lord, Oh My Soul" and "Softly As in the Morning Sunrise." Although this was the first year for this organization, it held its own with the other music groups. Together with the Mixed Chorus and the Boys' Glee Club, the girls performed in the Christmas Concert on December 18 and the Spring Musical on March 17, and also traveled to Kent State University to participate in the Northeast District Competitive Festival, Class B, on April 1st.

If the Girls' Glee Club continues to perform in the future as it did in its first year of organization, it will have added greatly to the awakening of music appreciation in Boardman.

The half-time intermission of a basketball game is usually the time most folks choose to get up and stretch their legs or go to buy a "coke," but not at Boardman. That's when Boardman's swing band, the Stardusters, makes its appearance. Featuring the latest popular songs, the Stardusters made a big hit with the fans, especially when they played such favorites as "A Lovely Bunch of Cocoanuts," "Don't Cry, Joe," and "Charlie, My Boy."

The group performed at the Saturday night Youth Centers sponsored by the Boardman Kiwanis Club, and also made two radio broadcasts during the year. They furnished the music at all of the dances held after the games. In the spring the group again visited Deshon Veteran's Hospital and entertained the patients there with many unusual arrangements of the latest song hits.

Members of the swing band were Jack Walters and

Freddie Pfau playing the tenor sax; Dave Lance, Warren Burr, and Dick Clark, trumpeters; Dave Crouse and Paul Bauchatz, alto sax; Ron Royal and Dave Dyer, trombonists; and Richard Gamble, baritone sax. The drums were in the capable hands of Don Miller; Bill Wise and Lloyd DuVall had charge of the bass; and Kenny Brown was the guitarist. Mr. Bame provided the direction for these favorites.

Sports

Hear Ye! Hear Ye!

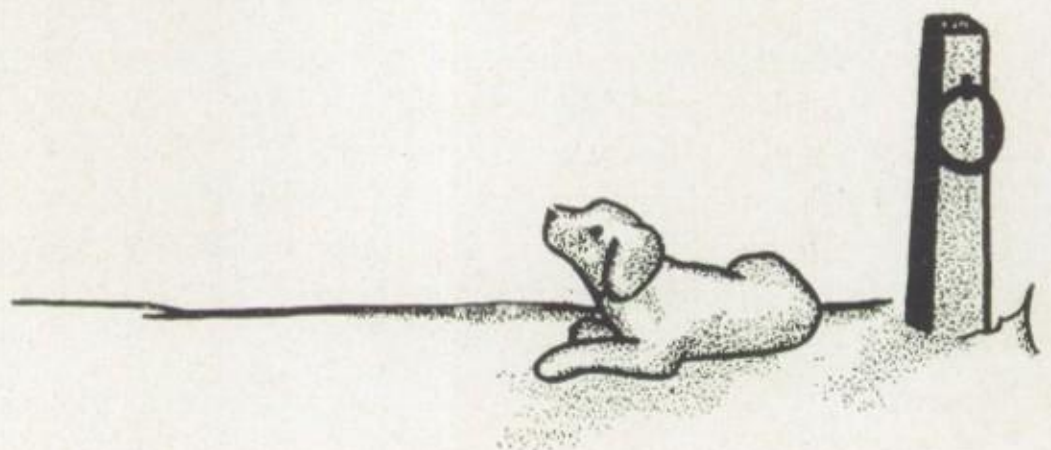

No groups are more worthy of attention than the '49-50 editions of Boardman's athletic teams. Supported by a highly-spirited and enthusiastic student body, team members have fought, won, and lost in the true Spartan spirit—that of teamwork, fair play, and good sportsmanship.

The daily tiring practice and patient coaching on the field or in the gym resulted in teams about which Boardman could well be proud. Boardman's extensive program of football, basketball, baseball, track and many minor sports kept her students' bodies and minds in constant development. Physical and mental alertness are the gratifying results of our sports' program.

The Spartans opened their '49-50 season by setting a new school scoring record as they trounced Minerva 65-0. Co-captain Bobby Vogt ran wild, scoring twenty-five points. Jay Chuck added three more tallies. Minerva never threatened after Boardman racked up thirty-one points in the first quarter.

The Spartans again overwhelmed the opposition as they crushed Leetonia 47-0. Bob Vogt and Jay Chuck each contributed three touchdowns and Chuck La Shelle added another in the fourth quarter as he took a long pass from Vogt and danced across the goal line. Vogt place-kicked beautifully as he connected for five out of seven attempted conversions.

The Boardman winning-streak was extended by a victory over the Lisbon Blue Devils in the third consecutive Tri-County League game. Bob Vogt ran 46 yards in the initial quarter for Boardman's first "T. D." We were never stopped thereafter although constantly pressed by the Lisbon team. In the final period Vogt hit Angelo Iannucci with a pass on Lisbon's 30 from where Ang went over to score. Vogt converted on both attempts after the touchdowns.

Boardman's hitherto unbeaten juggernaut moved to Rayen for their fourth game and met with their first defeat. Rayen showed their superiority in both weight and speed as they piled up twenty-seven points to our thirteen. However, Bob Vogt proved to be a one man gang as he consistently drove and plunged through the opponents' line. Dick Stevens played a brilliant defensive game and also scored our final touchdown by intercepting a Rayen pass and running 49 yards.

Boardman traveled to Louisville for a very crucial Tri-County game, both teams having been undefeated in league play. The Leopards scored twice before the Spartans could strike back. Vogt broke loose for a 65-yard run and a score to put the team back in the game. It looked as though the Spartans were on the upsurge as Vogt again scored; but this touchdown was nullified by a penalty, and thereafter the Spartans could not match Louisville's determined play.

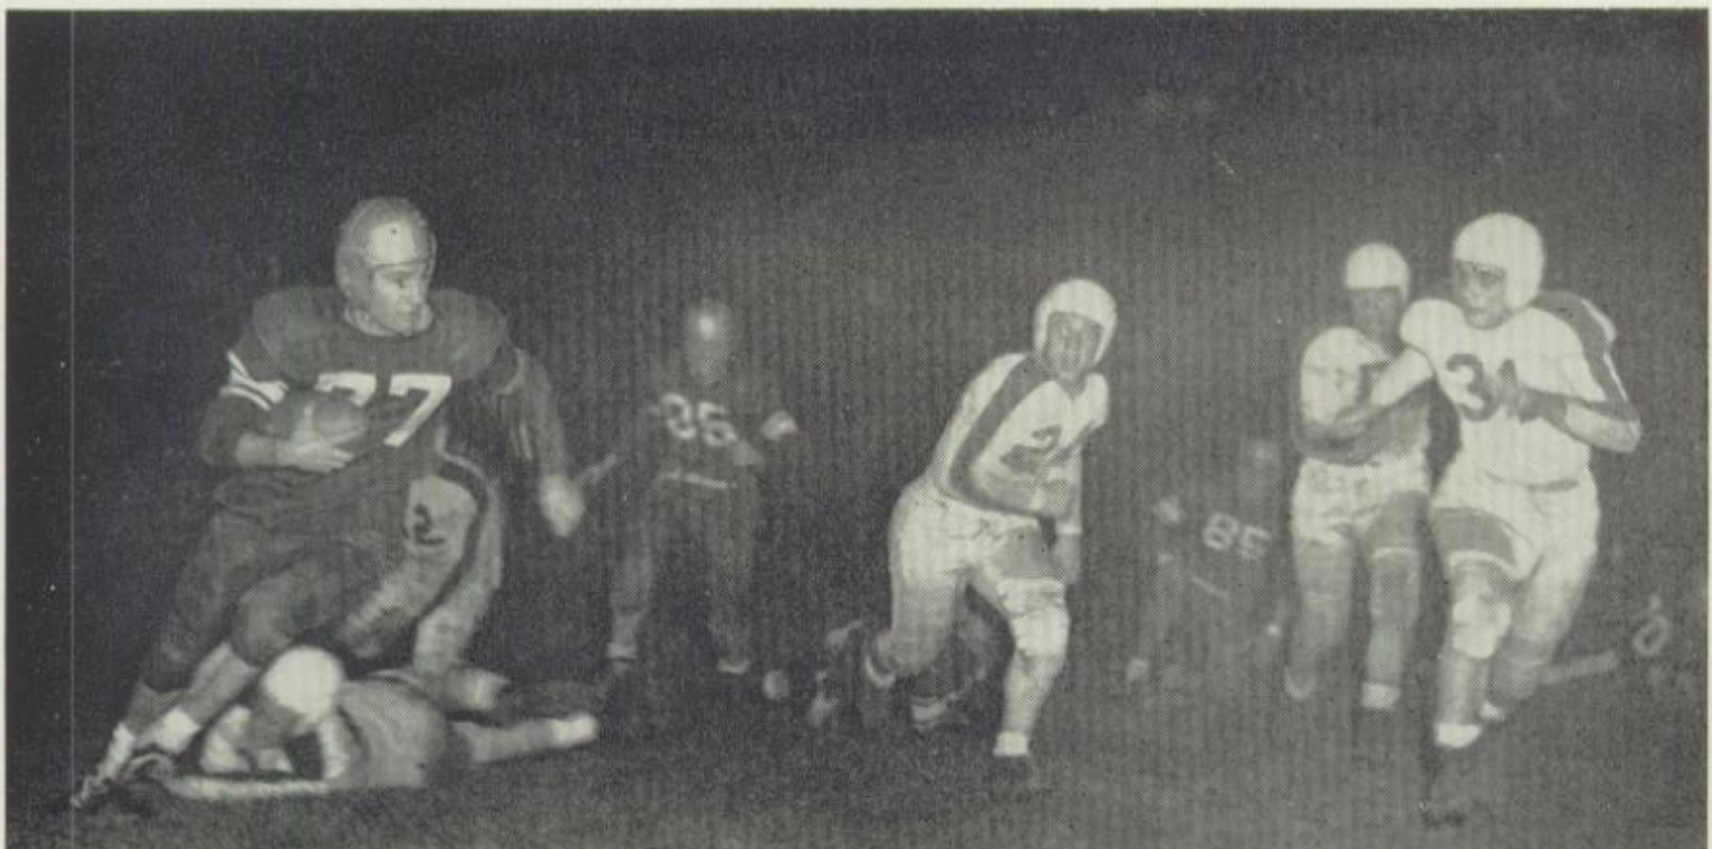

Boardman moved back into the win column by downing the Columbian Clippers 25-0. Held to seven points in the first half, the Spartans got rolling in the last stanza as Jay Chuck took a handoff and raced 75 yards for a score. Bob Vogt and Fred Slagle each added another touchdown as Columbiana failed to tally.

The Spartans rolled to their fifth victory in seven games with a 32-0 conquest of East Palestine. Bob Vogt and Jay Chuck headed the scoring with two touchdowns apiece while Chuck LaShelle added another. Vogt's 85-yard touchdown gallop on the opening kickoff featured the contest. Two brilliant runs to touchdowns were nullified by penalties against Boardman in the last stanza.

The Boardman Spartans rolled to the season's sixth victory at the expense of the Fitch Falcons. The Spartans never were in danger as Bob Vogt scored nineteen points before Fitch hit the scoring column with a safety. The assault continued as Chuck, Rawson, and Vogt each added another touchdown. Fitch concluded their scoring on a haphazard pass play covering 50 yards.

Boardman High concluded its most successful gridiron season in years by trouncing Sebring 34-12 before an overflow homecoming crowd. In doing so, the Spartans retained possession of the prized "Little Brown Jug" for another year. Bobby Vogt highlighted the game as he raced 65 yards on the very first play to give Boardman an early lead. Soon afterwards, Vogt collected on three more drives; and with Jay Chuck's six-pointer, the Spartans emerged victorious.

Bob Vogt, fleet Spartan back, sweeps end for 95 yards and a touchdown in the Louisville game.

COACHES

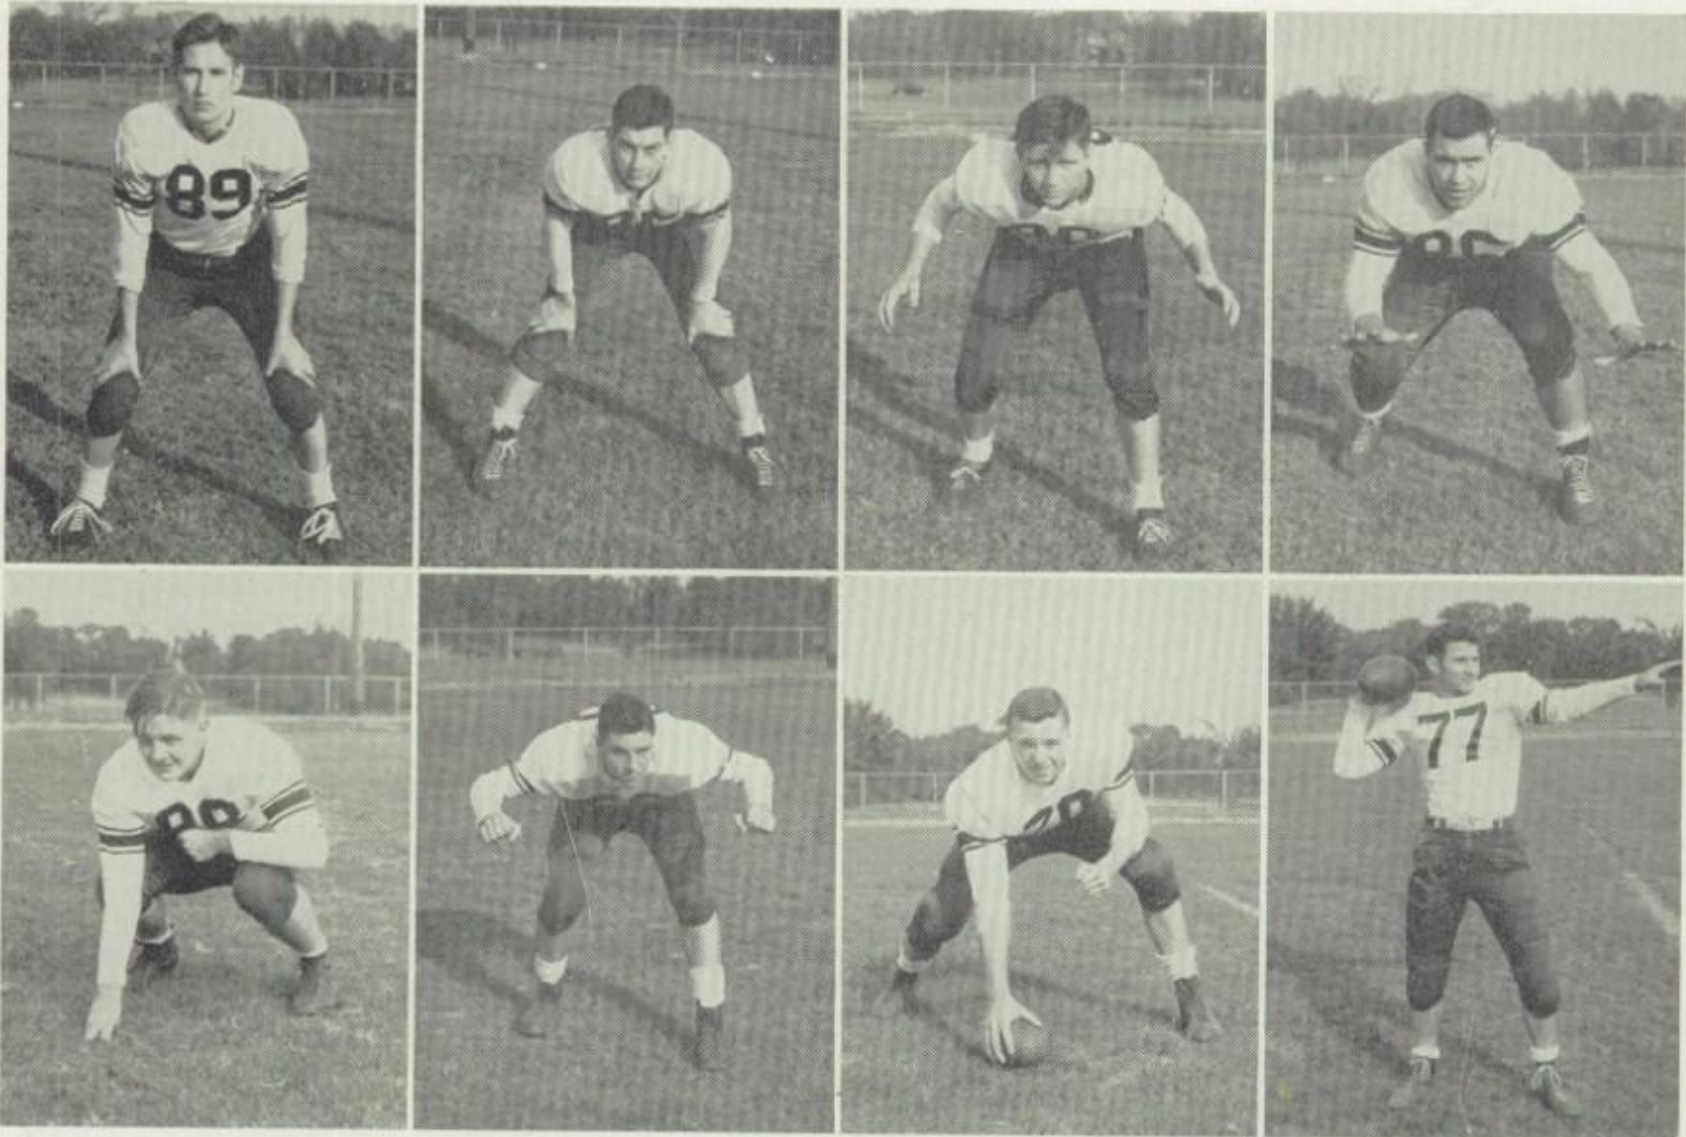

LEFT TO RIGHT: Mr. Morgan, Mr. Gulgin, Mr. Dolan, Mr. Genuske

In his third year at the helm of Boardman's football team, Coach "By" Morgan, Jr. produced the most successful team Boardman has fielded in many years. Assistant coaches Mr. Gulgin, Mr. Dolan, and Mr. Genuske also deserve a huge amount of credit for their work in coaching the boys.

The Spartans's impressive record for the 1949 season would have been impossible without the experienced coaches for which Boardman is widely known. That the team dropped only two of its nine games proved the fact that the boys were under expert guidance. Boardman is justly proud of her football mentors who have molded a group of boys into a spirited, fighting team.

COACHES

Mr. Dolan and Mr. Gulgin

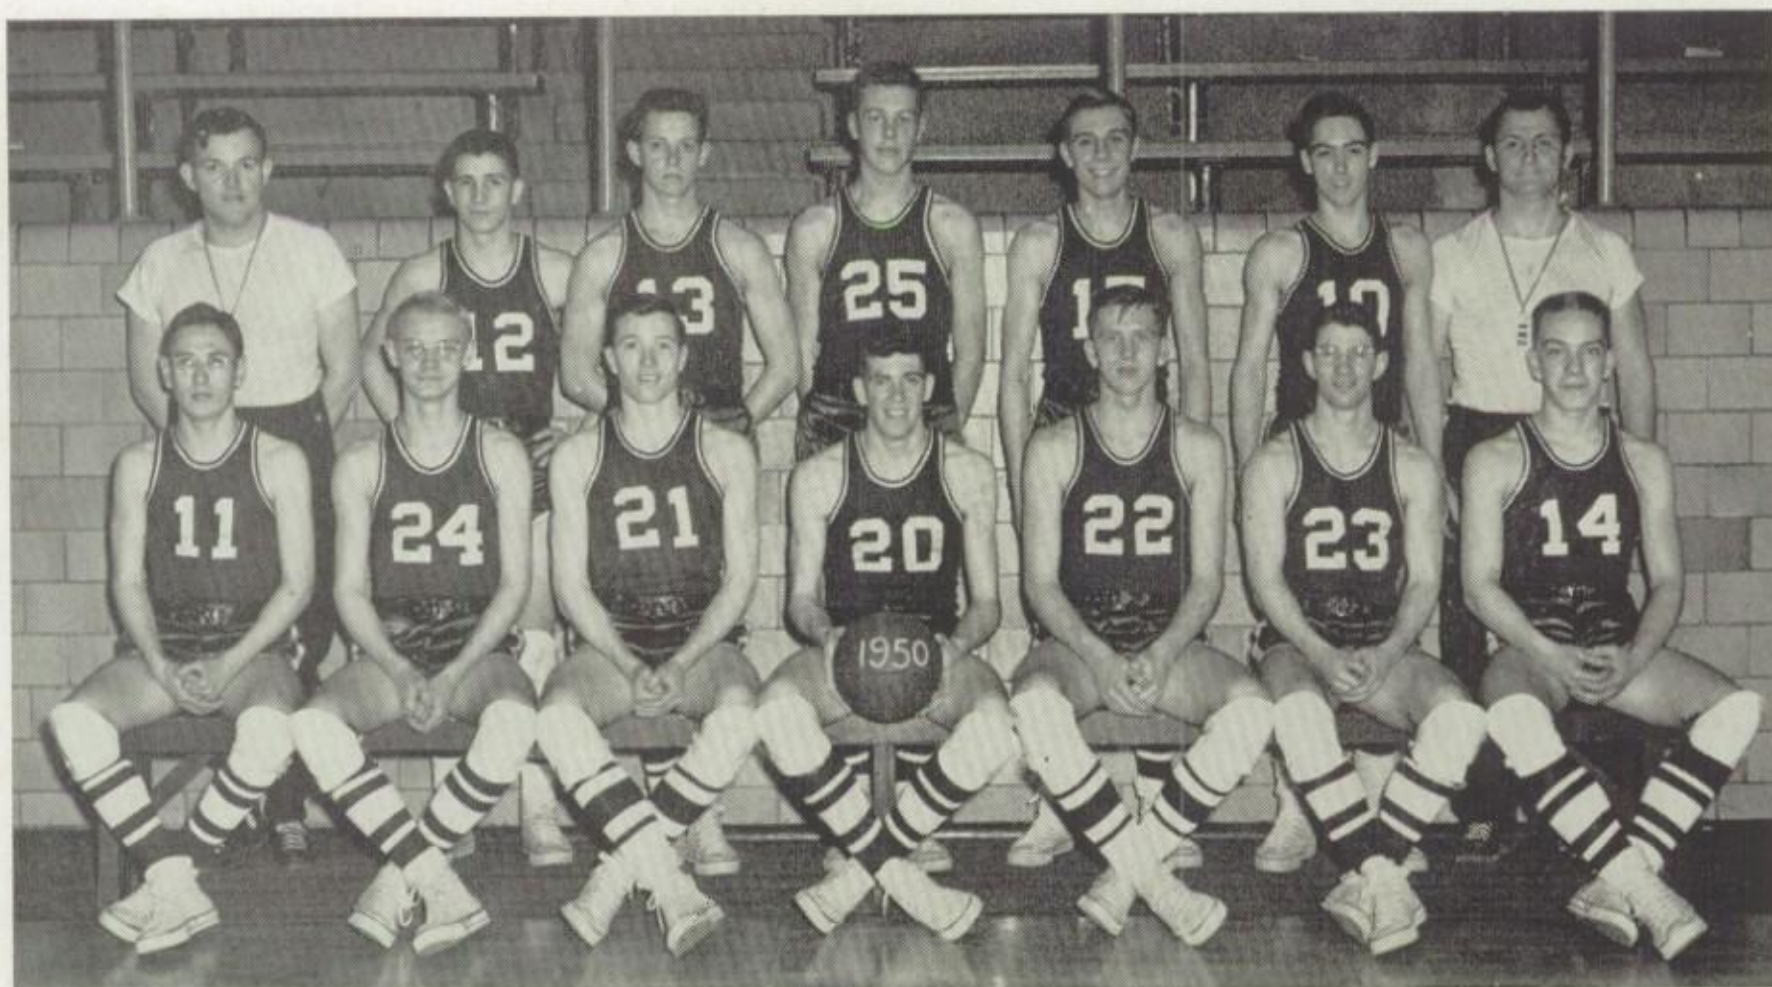

This year Boardman played under the direction of a new head coach, Mr. Darl V. Dolan. Mr. Dolan came to Boardman in 1946 as the freshman coach(and guided reserves in 1947 and 1948. Mr. Gulgin coached the reserve team to the Tri-County championship. Both coaches showed their skill in developing the boys into well co-ordinated teams that Boardman was proud to claim.

VARSITY BASKETBALL TEAM

SEATED: I. Farrah, R. Hammar, D. Stevens, P. Bucheit, C. LaShelle, B. Vogt, J. Roller.
STANDING: Mr. Dolan (Coach), R. Green, J. Nichols, J. Carlson, B. Fiffick, J. Suess, Mr. Gulgin (Coach).

After many weeks of practice, the Boardman Spartans opened their '49-50 basketball season with a 66-48 conquest of North High. Jerry Suess, a transfer from Akron Butchel, led the attack with 15 points while Vogt and Bucheit added 14 and 13 points respectively.

Boardman returned for their first home game and whipped an inexperienced Fitch team 66-19. Pete Bucheit took scoring honors with 17 points.

In a closely contested game, Boardman beat their city rivals, Youngstown Rayen, 48-45. Jerry Suess tallied 17 points to lead the Spartans to victory.

The Spartans took their longest journey of the season to Ashtabula, Ohio, competing in a round-robin tournament. They secured a hard-won victory over a highly touted Ashtabula five 38-29. Pete Bucheit, working from the pivot, threw in 18 points.

Coach Dolan's team lengthened their winning streak to five games as they trounced a stubborn Leetonia team 63-42. Suess hit the hoop for 21 points, while Bucheit dropped in 15.

Jerry Suess and Bob Vogt collaborated for 30 points to give us our sixth consecutive victory as we beat Woodrow Wilson 57-33.

Setting a new scoring record, the Spartans whipped their arch rival, Poland, 79-50. Suess made 19 points to head our scorers.

In their eighth consecutive win, the boys set a new scoring record. They compiled the amazing total of 97 points to Louisville's 42, thus breaching the scoring record twice within a week. The scoring was well divided with Fiffick, Suess, Bucheit, Stevens, La Shelle, and Vogt each scoring 12 points or more.

Meeting a sharpshooting East combine, Boardman was turned back by the East Sunrisers for their first reverse of the season, 65-50.

The Spartans, pressed for three quarters, pulled away in the last stanza to down East Palestine 73-53. Big Pete Bucheit led the assault with 19 points, while Suess and Stevens each contributed 17.

Spartan eagers fight for a rebound in the Columbiana game.

Jerry Carlson tries a push shot from the foul line against Poland.

Vogt pushes a shot from outside the key as Bucheit and Suess position themselves for the rebound.

B. H. S. suffered its second defeat at the hands of the Lowellville Rockets by the count of 47-41. Stevens and Bucheit were high with 14 and 11 points respectively.

Boardman experienced the third loss of its campaign, bowing to Sebring McKinley, 43-41. The Spartans never really got rolling and trailed throughout the game. The team scoring was well divided with Bucheit hooping 9 points for the Spartans.

Rallying in the last half, the Lisbon Blue Devils shaded Boardman in a League battle 35-30. Poor shooting and injuries plagued

BASKETBALL

the Spartans as they suffered their fourth defeat. Suess was high with 14.

The Spartans came to life again by subduing Minerva, 63-43. Stevens and Suess sparked the Spartan comeback with 17 and 15 points.

Boardman crushed neighboring Canfield 68-39 on the home court. The Canfield boys offered little competition for the Spartan's keen-eyed quintet. Vogt hit his stride as he hooped in 14 throws—22 points.

Before 1750 fans the Boardman Spartans proved themselves champions as they defeated a highly rated Columbiana five 65-49. Boardman showed their superiority in the third quarter as they outscored the Clippers 21-2. This was one of the sweetest victories ever won at Boardman since we had not beaten Columbiana in many years. Pete Bucheit led with 20 points. Suess and Vogt were close behind with 19 and 17 points respectively.

The Spartans downed a strong Chaney team 58-56 in a thrilling overtime contest on the Chaney court. Pete Bucheit dropped in 22 markers to pave the Spartans' way.

The Spartans won their fourteenth victory of the season at the expense of the Hubbard Eagles 61-34. Suess led the Spartan scorers with 17 points, while Stevens added 15.

Boardman finished their regular schedule with a record of 15 victories and 4 defeats as they easily downed Memorial 57-35. Stevens' 20 points led the Spartans.

Boardman experienced little difficulty in defeating Newton Falls 71-45 in the Class A Tournament. The Spartans, second-seeded in the tournament, led throughout. Bob Vogt copped honors with 19 points.

The Spartans quickly showed their superiority over a smaller Brookfield team and went on to win 59-42. Suess and Vogt topped Boardman scorers with 17 points each.

Boardman was eliminated by South in the semi-finals of the Sectional Class A Tournament, losing a close ball game 50-46. The Spartans refused to quit and put on a spirited finish, but it was not quite enough to win. Bob Vogt and Jerry Suess each tallied 11 points. The Spartans finished a tremendously successful season with a 17-5 record.

RESERVE TEAM

LEFT TO RIGHT: C. Bjorson, H. Banninga, J. Fabish, D. Liechty, H. Moff, J. Amstutz, R. Ewing, F. Slagle, G. Rauschenberger, D. Wellington.

It was also a great year for the reserves during the 49-50 basketball season. The understudies, under the direction of Mr. Gulgin, racked up fourteen victories against only three defeats, the latter all coming at the hands of city schools. Showing their class and form, the Jayvees captured the Tri-County League Reserve Championship, adding prestige to Boardman's basketball honors.

Pete Bucheit—Pete was our big center who was a tricky hook shot artist. Pete gave us much needed height and he often outfought players much taller than he. He was an especially valuable player in the "clutch" and was consistently one of the top scorers.

Ivan Farrah—Ike proved that height is not a necessity in basketball. What he lacked in height, he made up in spirit and fight. Although he did not see to much action, he can be remembered for his earnestness and desire to play the game.

Ron Hammar—Ron's skill in playing the backboards and handling the ball enabled him to play any position on the team. He was a fine team player and worked well with the other boys. Ron proved to be very valuable by taking many rebounds and contributed often to the team score with his accurate shooting.

Chuck La Shelle—Chuck was one of our tall guards who sparked the Spartan defense. Though not a top scorer, he was a very steady player and aided greatly in grabbing rebounds. He put plenty of spirit and fight into the game and consequently was one of the team's hardest workers.

Joe Roller—Joe, also a member of the second team varsity, was comparatively small and fast. He was another boy that put everything he had into the game and always kept fighting.

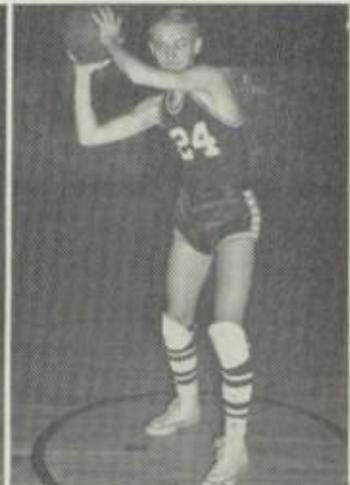

Dick Stevens—Dick was one of our small forwards who was aggressive and very fast. He got a late start, being injured in the All-Star football game, but he gained form rapidly and proved invaluable to the team.

Bob Vogt—Bob made up the other half of our small forward combination. Bob was the playmaker of the team, setting up the offense numerous times. He was very fast and an exceptional dribbler besides being deadly accurate with his set shots.

STANDING: B. Murtland, D. Baird, G. Elloff, P. Rothwell, J. Palmer, D. Kadis, R. Rothman.

The boys of the freshman basketball team will soon be taking over the varsity positions opened by graduation. Mr. Gulgin, the team's coach, has carefully instructed these boys in the fine arts of basketball, that they might be better able to carry the Spartan banner when they reach the varsity squad. The team has played in fine style and has been at its best "when the chips were down."

None realize better than the players and coach the importance of the managers. The managers of the '49-50 basketball team were Bill Murtland, Jack Roithner, Dave Burns, and Jim Wilkins. Ron Rothman was publicity manager. They have a large job in caring for uniforms and equipment. We congratulate these boys on their fine work and commendable service.

HI-Y BASKETBALL TEAM

SEATED: J. Roithner, R. Reese, D. Neapolitan, D. Johnson, D. Onions.
STANDING: J. Findlay, B. Moore, T. Mears, D. Hershberger, L. Pool.

The Hi-Y basketball cagers played an enjoyable season as one of the fourteen teams in the Mahoning Valley Hi-Y League. All games were played at the Princeton gym. Near the end of the season the team had a record of six wins and two losses. Two of these wins came from forfeits by Rayen and Hubbard, while their only losses were at the hands of Brownlee Woods and a powerful East squad. In an independent game, the Hi-Y boys toppled the faculty 40-36.

CHEERLEADERS — BOWLING

"We've got the coach, team, pep, steam!"

That was the battle-cry of the Boardman cheerleaders this year and it certainly is no understatement. Those four bundles of pep and steam were Marilyn Evans, Harriet McMasters, Joan Chessrown, and Joen Ellis. These girls, together with "Ace" Ballinger's Boosters, spurred the Spartan teams on to greater victories than they had for many years, Boardman also made great progress in regard to the loyal and enthusiastic spirit of the student body. More and better pep rallies were held; bigger and more enthusiastic crowds attended the games and yelled louder and longer. (A Boardmanite is now known by his sandpaper voice.) The increased number of members in the Boosters also added a great deal of volume to the cheers and enthusiasm.

The bowling team is one organization that deserves a tremendous amount of credit. The boys receive little publicity throughout the school year, and they play without a faculty sponsor. They spent many hours practicing and playing their weekly matches. Yes, they have carried on in the true Spartan spirit.

The team plays every Saturday morning and competes with seven other teams in the Mahoning Valley Scholastic League. Captain Dick Onions, acting as coach and manager, kept the team rolling with the best. Dick also led the way with the highest average, 147. Ron Daus and Ron Reese were close behind with 143 and 137 respectively.

We congratulate the team on an excellent season and wish them even greater success next year.

This year the **Crier** is undergoing a change of policy concerning the spring sports. Under this plan the action shots and record of the 1950 Boardman baseball team will be put in the 1951 **Crier**.

The approaching season looks especially bright as Coach Darl Dolan has six lettermen returning from last year's squad. The returning lettermen are "Ike" Farrah, first base and outfield; Ron Hammar, outfield; Gordon Rauschenberger, catcher; Joe Roller, second base; Bob Vogt, third base and pitcher, and Dick Wellington, shortstop. Considerable help in the pitching department is expected from Jerry Suess, a transfer student from Akron Buchtel.

This year the Spartans will play in two leagues, the Mahoning Valley Scholastic Baseball League and the Steel Valley Baseball League. The season opens on April 18, and thereafter the Spartans face a very heavy schedule. With Mr. Dolan's fine coaching and the fighting spirit of the team, we are sure the boys will have a very successful season.

ROW TWO: Mr. Morgan (Coach), J. Findlay, B. Moore, R. Green, Mr. Ballinger (Coach)

The 1950 edition of the Boardman track team is looking forward to a fine season, characteristic of the Spartans' previous squads. Coach "By" Morgan, Jr., has seven returning lettermen who starred last year. These boys are Bill Murtland, mile; Dick Hershberger, 880 yard run; Berkley Moore, mile; Jack Findlay, pole vault and high hurdles; Bob Gustafson, low hurdles and 440 yard run; Jack Amstutz, low hurdles and dashes, and Hugh Banninga, weights.

The records of this year's meets in which our team will participate will be printed in next year's annual.

Mr. Morgan and Mr. Ballinger are doing a tremendous job in training the boys for such a strenuous sport. Track has proved to be very beneficial in developing both physical strength and mental alertness. With this fine array of talented boys and the expert coaching of "By" and "Ace", we know that the Spartans will be able to field a winning track team.

A real swell gal. You
always keep the ball
rolling. As well as being
sister and club pal. Remember
the time we doubled and now
know where to go.
Be good — you will
succeed in everything you do.
Delores

Delores,
To one of the nicest

in Spanish class.
Lots of luck
